5. Torishima establishes subsidiaries in the UK and Canada

Torishima has established two consolidated subsidiary companies in the UK and Canada to strengthen Torishima's presence in the highly competitive global market. We are committed to meeting the diversified needs of all of our customers in both areas with more prompt, flexible and reliable services.

1 Torishima Europe Projects Ltd. (TEP)

< Outline >

Torishima has been developing our businesses in Europe through three subsidiaries; Sales Office (Torishima Europe Ltd. / Jun. 2008 established), Manufacturing Facility (KRG Industries Ltd. / Sep. 2010 consolidated) and Service Center (Torishima Service Solutions Europe Ltd. / May. 2010 established), for the past several years.

Additionally, we have set up a consolidated subsidiary company which will provide plant engineering in not only the UK, but also throughout Europe. Our aim is to build a solid network where we can offer more integrated services by enhancing the synergistic effect of existing business (pump sales, manufacturing & services) and the project business.
